

## **S.M.A.R.T. Summer Program Program Manager**

Voneisha Harris

My name is Voneisha Harris. I'm 28 years old and I am a mother to a 3 year old girl named Riley. I love to travel, read, and play sports like kickball and basketball. I have a degree in Exercise Science and have worked in Youth Development for 6+ years. I have also been a coach just as long; coaching various sports like baseball, basketball, and even football. I am eager to get the summer started and to motivate, inspire, and encourage our future leaders that are enrolled in the program. It's going to be a great summer full of adventures and learning experiences.
